## Meet the duo at DLM

### **Ads – Director, Mechanic, and Senior instructor**

Ads has years of drift experience and plenty of time on the tools. You'll have the chance to meet Ads at our workshop or at events. He'll be looking after the rental car you choose, keeping it running perfectly so you can make the most of your track time, and he can also be there in the car instructing / coaching you throughout your sessions

### **Dec - Director, Racing Driving and ARDS Qualified Instructor in Drift and Grip Driving.**

Declan has been racing for over 10 years, and his wealth of experience on track means he knows exactly what it takes to get the best out of both car and driver. He'll not only share his expert skills but also coach you personally, helping you push your limits, sharpen your technique, and make every moment behind the wheel an unforgettable experience.

# What forms DLM Driving Experiences

It offers a premium track car experience in purpose-built cars, allowing enthusiasts to rent vehicles that have been converted to excel at their respective sports and enjoy them in a safe, controlled environment far from speed cameras and traffic restrictions.

Whether you're looking to master the art of drifting with our dedicated drift car fleet or experience the thrill of competitive track driving, DLM provides more than just a car rental. We deliver a full hospitality package, so you can bring friends and family along for an unforgettable day at the circuit.

If your friends and family can't make the event we supply in car filming packages so you can take all the trackside action home!

Our fleet includes German and Japanese including a competition spec E36 328i, Mk3 Mx5 which a the championship winning Mazda MX-5, victor of the 2023 British Mazda MX-5 Cup, and a Nissan S13 with a big turbo available for hire at iconic tracks ranging from Brands Hatch in Kent to the legendary Nürburgring in Germany's Black Forest.

At DLM, we take care of everything including hospitality, coaching, and logistics so you can focus on the drive. It's not just about renting a car; it's about living the motorsport experience.

# The DLM Fleet

## BMW E36 328i Saloon

### Drift Car (Minty)

**£1300**

Powered a 2.8 Straight Six Cylinder Engine. This car has been set up for the ultimate clean drifting experience, tailored to drivers who have had experience in RWD cars before.

This is a really clean example of an E36 BMW drift car and was built in 2023 from a clean 328i shell and converted with the usual drift mods and also has harnesses for all passengers which means you can take 4 passengers on tracks where rear passengers are allowed.

This car can be rented for any circuit you choose, though a dedicated drift track is the ideal setting to enjoy what it's truly built for.

Price includes everything, from your ticket and helmet rental to full hospitality and data analysis, and high speed ride excluding only additional drivers and transport costs details below. Additional Driver Charge + £150 Per Person

# The DLM Fleet

## BMW E36 Touring 328i Drift Car (Tandem King) £1100

Powered by a 2.8 Straight Six Cylinder Engine This car was built for chasing doors and going sideways. It's built to get you drifting quickly with its amazing self steering. Which means you build confidence quickly when behind the wheel.

It allows you to get on the door and learn the art of tandem drifting at circuits that allow this type of drifting. Tandem drifting is when two (or more) drivers drift closely together on track, often side by side or nose-to-tail, while maintaining full control of their cars through corners. This car also benefits from incredible sound system with 12 inch subwoofer

## **DLM Track Experiences** **Terms & Conditions**

By booking or participating in any DLM Track Experience, you agree to the following

**Eligibility:** Minimum age 17 with a full valid UK driving licence (excludes Junior Drift Days). Licence must be shown on the day no photocopies accepted.

**Alcohol & Drugs:** Anyone under the influence of alcohol, drugs, or intoxicating substances will not be permitted to participate. No refunds will be given.

**Health:** Participants must be in good health and wear glasses if required. Please inform staff of any medical conditions that may affect safe driving.

**Clothing:** Appropriate clothing and footwear must be worn - no open sleeves, shorts, sandals, or open-toe shoes. Suitable driving footwear is required.

**Communication:** All participants must have a good understanding of English and be able to follow verbal and hand instructions.

**Height Restrictions:** Minimum height 4ft 10in (147cm). Maximum height 6ft 4in (193cm). Contact us if outside these limits as we may be able to accommodate you.

**Refunds & Cancellations:** Refunds requested within 60 days of purchase carry a 20% admin fee; after 60 days, we're unfortunately unable to offer refunds. You can nominate a replacement driver up to 7 days before the event for a £50 admin fee. If the car experiences mechanical issues that can't be fixed, we won't be able to offer a refund, but we'll always do our best to get you on track!

**In-Car Filming:** All drives are filmed. Footage can be purchased for £25 on the day.

**Vehicle Damage:** You are responsible for the vehicle while driving. Any significant damage caused (e.g. from cones, barriers, or collisions) is chargeable. Minor damage costs will be discussed with you on-site. We understand cone strikes and slight taps happen, so we don't charge for minor scratches. In the event of a total loss, a flat £5,000 fee applies per vehicle. There are no hidden charges. In the event of mechanical failure, each case is handled individually. For example, if an engine fails and you're deemed responsible, a charge may apply. We carry spare parts at every event, so in most cases we can get you back on track quickly.

**Session Duration:** Unless booked for multiple participants, you receive a full day in-car with 20-minute breaks for car cooling and data analysis.

**Spectators:** Spectators are welcome. Children under 12 must be supervised by an adult at all times. Participation is at your own risk. Each driver is responsible for their own vehicle regardless of fault.

**Data & Legal:** Declan Lee Motorsport Ltd complies with the Data Protection Act 1998 and UK GDPR, handling personal data securely and never sharing it without

consent (except in emergencies). These terms are governed by the laws of England and Wales and form the contract with the participant.
